A. Playford, Editor.

ALBERTA LEASE SALE JULY 22 OFFERS 22 PEMBINA PARCELS.

A total of 22 parcels in the Pembina field for a total of 11260 acres will be put up for bid by the Government of Alberta on July 22.

As well as the land up for lease-sale in the Pembina field the adjoining Keystone field will also see some lease activity with a total of 1120 acres in 4 parcels being put up there.

Considering the oil market the last lease sale in the Pembina field netted the government a goodly sum, with over 24 million dollars being paid. It will be interesting to note how well this sale goes over as, while the long-range picture on crude remains bright, the short-range chances of any sudden increase in oil sales is not very good.

The land up for lease in this field is scattered throughout the field, with the largest single block being located just northwest of Drayton Valley, in sections 31 to 36 at the top of Township 49, in range 8, just south of Easyford.

Some of it is on the east side of the Saskatchewan River, with some located north of the Pembina, in the Cynthia area.

Following is the list of the land for sale:

LOCAL GIRL WINS AWARD.

Audrey Getzinger, a grade seven pupil in Mrs. McIntosh's room won an award for a Farm Safety Essay recently. The essay was written in competition with grades seven and eight pupils in Stony Plain School Division. The contest was conducted under the auspices of the Alberta Safety Council.

A plaque, which will be hung in the school was presented and with it a pin which Audrey will wear. Presentations were made by R.D. Jorgenson, of Stony Plain School Division, who is also chairman of the Farm Safety Committee, in the Alberta Safety Council.

The plaque is inscribed with Audrey's name and will be hung in the corridor of the elementary school. This is the first time this award has been made to Drayton Valley school.

KEN MASON'S COLUMN:

One of the biggest problems facing Premier Manning's government is the continuing slow-down in the oil industry due to declining sales in the U.S.

Diminishing sales mean diminishing revenues for the provincial treasury, and if it continues, it could mean drastic cutbacks in next year's budget expenditures.

On top of that, the slowdown has a depressing effect on the whole exploration and development program, and that means less money being pumped into the Alberta economy by oil companies.

Last week, the premier said the situation appears to be growing worse instead of better. Anticipated demands by oil companies for the coming month are down, indicating the province has lost another big chunk of the U.S. Pacific-Northwest market.

Perhaps the most aggravating feature of the problem is that apparently nothing can be done about it. Alberta oil is being displaced in the U.S. by tanker shipments from the Middle East and Venezuela.

One of the main reasons for this, according to observers, is that the oil companies want to keep tankers busy bringing oil to North America while Middle East and South American crude is still available. With world conditions unsettled as they are, these supplies of oil could be cut off rather quickly.

In the meantime, Alberta is a nice convenient storage tank. Money in the bank, so to speak, against the rainy day when it's needed.

Large-scale export of natural gas could have a bolstering effect on provincial royalty revenues, but that still appears uncertain, and can't be counted on to help matters this year.

The province may have to dip into its reserves again this year to make ends meet. Last year the government raided its piggy bank to the tune of more than \$36,000,000. However, the treasury is far from broke. At the end of January reserves totalled more than 350 million dollars.

Diminishing revenues have already hit provincial budgeting. "While actual expenditures this year are up, the government changed its financial policy to eliminate municipal and school loans, which put the overall budget figure below that of last year. Provincial Treasurer Ted Hinman said at the time that unless revenues are higher expenditures will have to be cut next year.

Premier Manning's efforts to strengthen the oil markets have had no results so far. On several occasions he asked Prime Minister Biefenbaker to approach (cont. next col.)

Ken Mason's Column (cont.)

Washington with a request that more Canadian oil be permitted into the U.S.

More recently, he spoke to Ottawa about the possibility of making the rich Montreal area market available to Alberta crude oil by restricting imports of U.S. oil. So far, he's heard nothing more about it.

The long-range outlook for the Alberta oil industry is good because there is no doubt that the oil will be needed, but for the time being things may be rough. In the meantime, the government must be happy to know it has all that money salted away in accumulated reserves.

XXXX XXXX XXXX

Here's Premier Manning's reaction to the Progressive Conservative government's first federal budget:

"... the heaviest millstone of debt ever hung around the necks of the Canadian people in one year... Certainly different from what the public was led to expect in the political propaganda campaign of the past year"

He estimated that interest alone on the federal indebtedness would run to \$50,000,000, yearly.

Furthermore, he said, the debt is "... completely unnecessary. It is within the power of the government of Canada to furnish the additional capital required to keep our economy buoyant by expansion of the national credit."

He was also "frankly surprised" at the boosting of tariffs on British goods "after all the talk about more trade with Britain..."

OILWIVES ASSOCIATION HOLDS DANCE.

On Friday, June 20, the Oil Wives Association of Drayton Valley, held its first dance—a Cotton Ball. The brief, heavy thunder-shower and interruption of electric service delayed things a bit, but by 9:30 p.m. the dance was under way—and it was a fine dance.

Music was by Lorenzo; refreshments were by Gil Oulund, and snacks and buffet dinner were by the Anglican Ladies. Everything was thoroughly enjoyable and everyone had a wonderful time.

The local Association was honored by the presence of Emily McKay, President of Oil Wives International, and her husband Bill, from Calgary.

Particularly to be congratulated for the complete success of the evening are Danita Boling, Program Chairman, and her committee. Shirley Folchard was in charge of decorations, which carried out the Cotton Ball theme aptly and with imagination; Charlotte Anderson and Gerry Gunderson were in charge of food and drink, and each was grateful for the help of other members.

DRAYTON VALLEY HIGHLIGHTS.

By: Edith Deby.

Mr and Mrs Dick Block and family returned last week from a visit with Mr Block's mother in Daysland.

Little Connie McGinn has a new baby brother born June 5.

Mrs Charles Johnson was released from hospital and returned to her home last week end.

The Drayton Valley Community Library will close its doors for the summer on July 8. Much has been accomplished in this first year. Almost two hundred children have taken out membership cards. Many of these children visit the library each week.

Mrs Larbalestier and her staff are to be congratulated on a job well done.

The W.I. held its last meeting before closing for the summer in the library on June 16. Several visitors were welcomed by the president.

Mrs David Brown gave a most interesting report on the history of the W.I. She told us that the W.I. was organized in Ontario sixty years ago by a Mrs Hood-lus. Its motto is "For Home and Country".

Mrs Nordby, Handcraft Conveyor, spoke on the origin of quilts and presented a wealth of interesting material.

Mrs C. Moore conducted the contest and Mrs Forbes and Mrs David Brown were hostesses.

The September meeting will be held at Mrs Charles Moore's home on September 15.

CONGREGATION BIDS FAREWELL TO REV. AND MRS SAYERS.

Following the Service of Worship at 11.00 a.m. on Sunday Morning, June 29, the Drayton Valley United Church will say farewell to its first minister, Rev. Bill Sayers and his wife Marian and their son Billy.

Three years ago Mr Sayers conducted Church Services every weekend while he attended College in Edmonton. He organized the United Church people who were interested into an official congregation of the United Church of Canada and under his leadership the Church has continued to grow and progress.

Two years ago Rev. and Mrs Sayers took up residence in Drayton Valley. Since that time a new manse has been built and

CONGREGATION BIDS FAREWELL (continued)

furnished and a new Church building was erected. Youth organisations were established and a Choir was formed.

Mrs Sayers was active in W.I. and was most interested in the local chapter of the A.A.R.N., which was recently organized here. During the past year Bill was active in Rotary as their secretary. He was also an enthusiastic leader of some sixty Wolf Cubs, who, at their recent Father and Son Banquet, presented him with a wallet as a farewell gift. The Sayers were the first counsellors of the local Teen Town. Their first interest was always with the church but they were able to find time for the community.

Rev. W.A. Sayers was called to Knox United Church in Calgary where he will be assistant to Dr. G.F. Macleod, past President of Alberta Conference and one of Canada's outstanding Bible Schoolers. Knox Church, Calgary, is one of Calgary's oldest churches and has played a very important part in the religious life of that city. It is a downtown church, built on the cathedral plan of stone masonry. It has some twelve large stained glass picture windows. Mr Sayers will be working with the young people and young married couples.

AL. CEMING ENTRANCES LISTENERS.

In his inimitable style Al. Ceming spoke to the group at the Father and Son Banquet last June 19, and held them spellbound as he told them of the procedure for catching full grown grizzly bears and tagging them for future study.

The occasion was the gathering of the Cubs and their leaders for a Father and Son Banquet in Scout Hall.

Mr Ceming told how he went out to the Swan Hills, northwest of Edmonton, where some of the largest grizzlies of Canada are to be found, in order to make a study of them, to preserve them for future generations. After the huge grizzlies are trapped in specially built traps, they are put under ether while the ear-tagging is done.

He also directed a message to young people, showing how greater pleasure may be derived from studying bird and animal life on this earth, rather than by shooting. He stated that there were greater challenges with a camera than with a gun. He sought to instill a deeper appreciation for the outdoors.

In a question and answer period a number of questions were asked, one of which was, "How fast can a cheetah run?" Mr Ceming said they had been clocked at 66 miles an hour. He showed pictures of Brookfield Park Children's Zoo, in Chicago.

TOTAL ESTIMATED COST FOR SEWERAGE.						\$29,530.00

The cost of these projects will be charged against properties abutting, and shall be undertaken as local improvement. The special assessment will be payable either as a prepayment or over a period of 15 years.

Unless the majority of the owners of the lands that may be assessed, representing at least one-half in value thereof as aforesaid, petition the council again at it within two weeks after the last publication of the notice, the local improvement may be undertaken and the cost thereof assessed by the system of assessment referred to in the notice.

If no petitions are received the Council will proceed with the project at its discretion but within two years. Final reading of By-law #97 and 98 will be given by the Council on July 15, 1958.

HAROLD McLAUGHLIN, M.L.A. NOT SEEKING LEADERSHIP

On checking further into the reports that Harold McLaughlin, M.L.A. for Stony Plain Constituency is a candidate for leadership of the Provincial Liberal party, we find that Mr. McLaughlin is not a candidate for leadership of the Provincial Liberal group.

Mr. McLaughlin stated that plenty of outstanding Liberal candidates will declare themselves before the Liberal Convention which takes place October 31 and November 1.

Mr. McLaughlin has not yet announced whether he will let his name stand as M.L.A. for Stony Plain Constituency, but it is to be hoped that he will as he has acquitted himself very well in the past three years in which he has served his district in the Legislature.

C.W.L. MEETS. (cont. from last week)

Mrs G. Petersen was elected delegate to C.W.L. Convention to be held in Edmonton on June 6, 7, 8, and attended same, accompanied by Mrs E. Ryan, Mrs C. Dion and Mrs Z. Tellier.

Lunch was served by Mrs Fokre and Mrs Christofferson. Next meeting will be held on September 8.

WORKER DIES OF GUNSHOT WOUND.

Orville Hueston, employed with Brown and Root, died en route to hospital in Edmonton early Tuesday morning as the result of an accidental discharge of a gun. It is said no inquest will be held.

Card of Thanks.

We wish to thank our many friends and neighbors for their kind words of sympathy, many floral tributes and donations in our recent bereavement.

Special thanks to Rev. William Sayers, the pall bearers, Organist Mrs Edmonds and Soloist Margaret Haynes.

Mrs Swap and Family.

FUNERAL SERVICES CONDUCTED FOR CHARLES H. SWAP.

SOFTBALL NEWS.

By: Gene Balay.

Following are the results of the games played since June 9. Buck Creek spoiled Violet Grove's debut into the league by handing them a defeat on June 9.

The following day Eskimo lost their second straight game when Mobil Oil beat them. On Wednesday, June 11, Violet Grove won a game from Supply, bringing their average up to .500. Rounding out the week, Mobil Oil came up with their fourth straight win by beating Pan Am for the second time in as many meetings.

Last week, the weatherman took over and as a result, two games had to be postponed due to rain. (cont. next col.)

SOFTBALL NEWS (cont.)

In another game a majority of the Eskimo players were called away to a job in Saskatchewan, causing a postponement of another game. The only game played saw the hapless Pan-Am crew have victory snatched from their grasp when Supply came from behind to score four runs in the last inning and beat Pan-Am 8-5. This week saw Mobil Oil run wild in defeating Violet Grove 18-3 on Monday, and then on Tuesday the lowly Pan Am club upset a short-handed Eskimo squad 11-9 for their first win of the season.

Team	W.	L.	Pct.
Buck Creek	5	1	.833
Mobil Oil	6	3	.667
Eskimo	4	3	.571
Violet Grove	1	2	.333
Supply	1	4	.200
Pan Am	1	5	.167

FASTBALL TOURNAMENT.

With a quite good attendance of onlookers for each game the Fast Ball tournament sponsored by Supply Fastball Club, put on a number of very good games on Saturday, June 21.

With six teams competing, Supply, Mobil Oil, Eskimo, Spruce Grove, Buck Creek and Violet Grove the scores were as follows for the first five games: Supply 5-Mobil Oil 1; Eskimo 7-Spruce Grove 2; Buck Creek 11-Violet Grove 4; Eskimo 6-Supply 5; Supply 14-Buck Creek 7. In the final game a tired Supply team, which had played a total of four games, with three in a row, got trampled on by the Eskimo team for a score of 17 for Eskimo to Supply 9.

LOCAL GIRL HEADS HOME VIA GREECE AND TURKEY.

A recent letter bearing a Jugo-Slavia postmark was received recently by Mr and Mrs H.T. Deby.

It was posted in Jugo-Slavia by their daughter Audrey, who has been in Europe Africa and way-points for the past year and half.

Audrey wrote that she had just arrived in Tito's country after traveling through Belgium and Germany with her girl friend. They rode with a party motorizing to Italy, until they came to the Jugo-Slav border. Miss Deby's traveling friend is a girl from New Zealand.

Audrey is headed for Canada and Drayton Valley, but she is going around by way of Greece and Turkey, before returning to England to begin the homeward trip.

She spent almost a year in South Africa before returning to England. Her friend on the trip to South Africa, an Australian girl, is now in Toronto, awaiting Audrey's return from the Continent.

Miss Deby has traveled extensively in Europe during this and a previous trip.

BOYS SCOUTS ATTEND SCOUT JAMBOREE.

BY: Joan Aspelst.

Eleven Boy Scouts and their Scoutmaster Doug. Aspelst, will be leaving early Saturday morning, July 5th for the Second Alberta Boy Scout Jamboree to be held in Hillsdale Flats at Banff National Park.

The boys, Ken McMorris, Brian McMorris, Wally Mohn, Russell Mohn, Wayne Palmer, Eugene Palmer, Dave Joyce, Steve Seranas, Ronald Meiers, Charles Byers and John Byers, will travel by school bus to the site.

Over 1,600 Boy Scouts, including one troop each from Saskatchewan, Manitoba, British Columbia, and Montana have applied for admission to the camp.

The boys will sleep in tents and do their own cooking, in addition to all other activities planned for them.

They will return Saturday, July 12, with their souvenirs and memories that will last a lifetime.

LEADERSHIP TRAINING COURSES.

A public meeting was held in the Community Hall recently to discuss recreational needs of the community.

A good representation of ratepayers was on hand for the meeting. Discussion centered around the recreational needs and the utilization of the Recreation Building.

The Provincial Government's plans to put on courses in Recreational Leadership training was discussed and candidates to attend the two leadership courses were chosen.

For the one week course the following were chosen: Allen Bailey, Barbara Clelland, and Terry McQuaig. The course starts June 30 and will be held in Red Deer.

For the four weeks course were chosen: Gail Fairbairn, Carol Lindskoog, Richard Shigman and Donald Anderson. This course will also be held in Red Deer and will commence July 7.

The Candidates for the Leadership Training courses are being sponsored by the (continued next column)

LEADERSHIP TRAINING COURSES.

various service clubs of the community and by the Recreation Board.

The newly formed Recreation Board consists of Kelly Wynn as Chairman, Father Scriven secretary, Howard Cathers, vice president, Bill Johannesson, treasurer, with a representative from each of the various service clubs.

As soon as the candidates return from the four week course plans will be put into operation for recreational programs to begin.

CHAMBER OF COMMERCE MEETS.

A meeting of the Drayton Valley Chamber of Commerce was held in the Gadium Room of the Drayton Valley Hotel Cafe the second Thursday of June, in the evening. It was a supper meeting with a quite good representation of members on hand.

Red Fuhr brought a comprehensive report of the Chamber of Commerce Convention held in Calgary for the Alberta Associated Chambers of Commerce. Mr. Fuhr and Mr. John MacKinnon attended the Convention as delegates from Drayton Valley.

A motion was effected to arrange a "Baby Bonus" project at the opening of the new Drayton Valley Municipal Hospital which will take place shortly after July 15.

The idea Behind the Baby Bonus deal is that various merchants will contribute merchandise for the mother and baby of the first baby born in the new hospital.

All local businessmen and those eligible for Chamber of Commerce membership are urged to get the memberships paid up for this year. A drive will soon be put on to get all memberships in as soon as possible.

LIQUOR STORE TO OPEN SOON.

Shelving and counters for the new government liquor store is now being installed and it is expected that the liquor store will be open for business in about a week.

The Liquor Commission has written the Chamber of Commerce asking that housing be obtained for the store clerks.
